COSHH Storage Cabinet | 17ltr Sump

Manufactured in the UK and backed by a 3-year guarantee, this COSHH-compliant polyethylene cabinet offers reliable chemical compatibility (refer to our compatibility guide for safe use).

Designed for convenience and durability, the lightweight yet robust cabinet features a hinged lockable door and two adjustable shelves. It's ideal for securely storing small containers, tins, cans, and absorbents.

Perfect as a static spill station or a localized storage point for hazardous materials on the shop floor, it ensures safety and accessibility where you need it most.
